

Class 7 Social Science — SA1 Master Solutions

Complete Curated Pedagogical Guide: Geography L3, History L8, Civics L13, Economics L17

Class 7 Social Science — SA1 Master Solutions & Complete Pedagogical Study Guide

Comprehensive Curriculum Blueprint: Geography L3, History L8, Civics L13, Economics L17

The Social Science Scholar & Student's Complete SA-1 Master Key (Bilingual: English & Telugu)

Official Textbook Reference: *Our Story Our World* — 7

Syllabus Scope & Page Ranges:

- **Geography — Chapter 3: The Climates of India** (Unit 1: India and the World, Pages 38–55)
- **History — Chapter 8: The Age of Reorganisation** (Unit 2: Tapestry of the Past, Pages 106–121)
- **Civics — Chapter 13: India, a Home to Many** (Unit 3: Our Cultural Heritage and Knowledge Traditions, Pages 186–197)
- **Economics — Chapter 17: From Barter to Money** (Unit 5: Economic Life Around Us, Pages 236–243)

Pedagogical Standard for 7th Class Students:

- Answers are written in clear, concise, bulleted points that are easy to understand and memorize.
- High-frequency exam keywords are highlighted in **bold**.
- Each descriptive section includes an intuitive Telugu summary (తెలుగు వివరణ) for easy conceptual understanding.

Geography — Chapter 3: The Climates of India (Pages 38–55)

Conceptual Synopsis & Quick Revision

- **Weather vs Climate:**
- **Weather:** The condition of the atmosphere at a specific place and time (changes daily or hourly).
- **Climate:** The average weather pattern of a large region observed over a long period (usually 30+ years).
- **Factors Influencing India's Climate:**
- **Latitude:** The Tropic of Cancer divides India into tropical south and subtropical north.
- **Altitude:** Places at higher altitudes (hills/mountains like Shimla and Ooty) are cooler because air becomes thinner.
- **Distance from Sea:** Coastal areas have a **moderate (equable)** climate due to sea and land breezes; inland areas experience extreme temperatures.
- **Relief & Mountains:** The Himalayas block cold arctic winds and trap monsoon winds; Western Ghats cause heavy orographic rainfall.

- **Monsoon Winds:** Seasonal reversing winds that bring the majority of India's annual rainfall.
 - **Climatic Zones of India:**
 - **Alpine Zone:** Cold, snowy winters (Ladakh, Kashmir, high Himalayas).
 - **Subtropical Zone:** Warm summers and cool winters (Northern Plains).
 - **Tropical Wet Zone:** Warm and humid with heavy rainfall (Western coastal plains, Kerala).
 - **Arid & Semi-Arid Zones:** Very hot and dry with scanty rainfall (Thar Desert in Rajasthan).
 - **Monsoon Cycles:**
 - **Southwest Monsoon (June–September):** Moisture-laden winds blow from Arabian Sea & Bay of Bengal onto mainland India.
 - **Northeast / Retreating Monsoon (October–November):** Winds blow from land back to the sea, bringing rain to Tamil Nadu coast.
 - **Climate Disasters & Conservation:**
 - Glacial Lake Outburst Floods (GLOFs), landslides, cyclones, and forest fires.
 - **Mitigation:** Planting trees, using renewable energy (solar, wind).
 - **Resilience & Adaptation:** Stronger construction, disaster warning systems.
-

Textbook Exercises — Chapter 3 (Pages 53–55)

Section A: Multiple Choice Questions (Tick the correct option)

1. **Which factor is mainly responsible for causing monsoon rainfall in India?**
2. **Answer: c. Seasonal wind movements**
3. *Explanation:* Differential heating of land and sea causes seasonal reversal of winds, driving moisture across the subcontinent.
4. **Which of the following regions in India has a tropical wet climate?**
5. **Answer: b. Kerala**
6. *Explanation:* Kerala lies near the equator on the windward side of the Western Ghats and receives heavy monsoon rains.
7. **In northern India, which type of wind is known as 'loo'?**
8. **Answer: c. Hot and dry summer wind**
9. *Explanation:* 'Loo' refers to the scorching, dusty summer winds blowing across northern plains in May and June.
10. **What is a key reason behind the climatic diversity found in India?**
11. **Answer: c. Variety in physical landforms**
12. *Explanation:* India features snowy mountains, vast plains, deserts, plateaus, and coastal strips, creating distinct climatic zones.
13. **Which climatic zone in India receives the lowest amount of rainfall?**
14. **Answer: b. Arid zone**
15. *Explanation:* The Thar Desert (Arid zone in Rajasthan) gets less than 25 cm of annual rainfall.

Section B: Fill in the Blanks

1. The **Arid** climate is typically found in Rajasthan and receives very little rainfall.
2. The **Southwest** Monsoon brings rainfall to most parts of India.
3. Places located at higher **altitudes** usually experience cooler temperatures.
4. Locations near the sea generally enjoy a **moderate / equable** type of climate.

5. The long-term weather patterns is known as **climate**.

Section C: Match the Following

Column A	Column B	Correct Match
1. Latitude	a. Bring wet air to India during summer	1 → b (Creates different climates in north and south India)
2. Altitude	b. Creates different climates in north and south India	2 → c (Keeps higher places cooler)
3. Proximity to the ocean	c. Keeps higher places cooler	3 → d (Moderates the temperature)
4. Monsoon winds	d. Moderates the temperature	4 → a (Bring wet air to India during summer)

Section D: State True or False

1. Monsoon winds last for several months, not just a short period. — **True**
2. Forest fires may occur due to careless or harmful human activities. — **True**
3. Alpine climate does not occur in the low-lying Northern Plains of India. — **True**
4. The Equator receives direct sunlight, not slanting rays throughout the year. — **True**
5. Rain shadow regions get less rain due to mountains obstructing the movement of moist winds. — **True**

Section E: Picture-Based Question (Page 54)

Prompt: Observe the picture of a coconut grove near the seashore.

1. **What type of climate does this landscape most likely represent?**

- **Answer: Tropical Wet / Coastal Climate.**

2. **Name one Indian state where this type of climate is found.**

- **Answer: Kerala** (also Goa or Tamil Nadu).

Descriptive Questions — Chapter 3

A. Short Answer Questions (1 to 2 sentences)

1. **What is meant by climate? Write in one or two short sentences.**
2. **Answer:** Climate is the average weather condition of a large area recorded over a long period of time (typically 30 years or more).
3. తెలుగు వివరణ: శీతోష్ణస్థితి (Climate) అంటే ఒక పెద్ద ప్రాంతంలో కనీసం 30 ఏళ్ల పాటు సగటున ఉండే వాతావరణ పరిస్థితుల అధ్యయనం.
4. **How would you define 'weather' in simple words?**
5. **Answer:** Weather is the day-to-day condition of the atmosphere at a particular place regarding temperature, humidity, rainfall, and wind.
6. తెలుగు వివరణ: వాతావరణం (Weather) అంటే ఒక రోజు లేదా గంటల వ్యవధిలో ఉష్ణోగ్రత, వర్షం, గాలిలో వచ్చే స్వల్పకాలిక మార్పులు.
7. **What do we call the seasonal winds that bring rain to India?**
8. **Answer:** They are called the **Monsoon winds** (specifically the Southwest Monsoon winds).

9. తెలుగు వివరణ: భారతదేశానికి వర్షాన్ని తెచ్చే రుతుపవనాలను మాన్సూన్ విండీస్ (Southwest Monsoon) అంటారు.

10. **Mention any one physical factor that influences the climate of a place.**

11. **Answer:** **Altitude** (height above sea level) or **Distance from the sea.**

12. తెలుగు వివరణ: సముద్ర మట్టం నుండి ఎత్తు (Altitude) లేదా సముద్రానికి దూరం శీతోష్ణస్థితిని నిర్ణయిస్తాయి.

13. **What do you understand by the term 'rain shadow effect'?**

14. **Answer:** It is a dry area on the **leeward side** of a mountain range that receives very little rain because the mountain blocks moisture-bearing clouds.

15. తెలుగు వివరణ: వర్షచ్ఛాయా ప్రాంతం (Rain Shadow Area): పర్వతాలు మేఘాలను అడ్డుకోవడం వల్ల పర్వతాల వెనుక వైపు పొడి ప్రాంతంగా మిగిలి తక్కువ వర్షపాతం నమోదవుతుంది.

B. Brief Descriptive Questions (3 to 4 sentences — Simple & Kid-Friendly)

1. **How does altitude influence the climate and temperature of a region?**

2. **Simple Answer:**

- As we go higher above sea level, the air becomes thinner.
- Thin air holds less heat, so temperatures drop as altitude increases.
- For every 1,000 meters rise, temperature drops by about 6.5°C.
- This is why hill stations like Shimla and Ooty are pleasantly cool in summer while nearby plains are hot.

3. తెలుగు వివరణ: సముద్ర మట్టం నుంచి పైకి వెళ్లేకొద్దీ గాలి సాంద్రత తగ్గి ఉష్ణోగ్రత పడిపోతుంది. అందుకే సిల్హా, ఊటీ వంటి కొండ ప్రాంతాలు ఎండకాలంలో కూడా చల్లగా ఉంటాయి.

4. **In what ways do winds affect temperature, rainfall and humidity levels?**

5. **Simple Answer:**

- Winds blowing from the ocean carry water vapor, which increases humidity and causes rainfall (e.g., Monsoon winds).
- Winds blowing from hot deserts make places hot and dry (e.g., 'Loo' winds in North India).
- Cold winds blowing from snowy mountains lower the temperature of nearby regions.

6. తెలుగు వివరణ: సముద్రం నుంచి వీచే గాలులు తేమను తెచ్చి వర్షాన్ని కురిపిస్తాయి; ఎడారి నుంచి వీచే గాలులు (లూ) వేడిని పెంచుతాయి; మంచు కొండల నుంచి వచ్చే గాలులు చల్లదనాన్నిస్తాయి.

7. **What are the features of a tropical wet climate found in coastal India?**

8. **Simple Answer:**

- It has warm and pleasant temperatures throughout the year with very little seasonal change.
- The region experiences high humidity and heavy rainfall from the southwest monsoon.
- It supports lush green vegetation, dense forests, and crops like coconut and paddy (e.g., Kerala coast).

9. తెలుగు వివరణ: ఉష్ణమండల తేమ శీతోష్ణస్థితిలో ఏడాది పొడవునా వెచ్చగా, గాలిలో తేమ ఎక్కువగా ఉంటుంది. విస్తారంగా వర్షాలు కురిసి కొబ్బరి, వరి పంటలకు అనుకూలంగా ఉంటుంది.

10. **Mention two natural and two human-made causes of forest fires.**

11. **Simple Answer:**

- **Natural Causes:**
- Lightning strikes hitting dry trees or dry grass.

- High summer heat with friction of dry bamboo rubbing in strong winds.
- **Human-Made Causes:**
- Carelessly throwing burning cigarette butts or matchsticks in forests.
- Leaving campfires unextinguished or setting deliberate fires for land clearing.

12. తెలుగు వివరణ: సహజ కారణాలు: పిడుగుపాటు, ఎండ వేడికి ఎండిన వెదురు రాపిడి. మానవ తప్పిదాలు: ఆర్పని క్యాంప్ పైర్లు, వెలిగించిన సిగరెట్ పీకలు పారవేయడం.

13. **Why do places near the ocean have milder temperatures than places far away from it?**

14. **Simple Answer:**

- Water heats up and cools down much slower than land.
- During the day, cool **sea breeze** blows towards land to keep it cool; at night, **land breeze** balances the temperature.
- This moderating effect prevents extreme heat in summer and severe cold in winter (equable climate).

15. తెలుగు వివరణ: నేల కంటే నీరు నెమ్మదిగా వేడెక్కి, నెమ్మదిగా చల్లబడుతుంది. పగటిపూట సముద్రపు గాలులు, రాత్రి వేళ భూ గాలులు వీచి ఉష్ణోగ్రతను సమతుల్యంగా ఉంచుతాయి.

C. Long Descriptive Questions (5 to 7 sentences)

1. **What is the difference between weather and climate?**

2. **Simple Answer:**

- **Weather** describes short-term atmospheric conditions of a small area, while **climate** describes long-term averages over a large region.
- Weather can change within minutes or hours (e.g., a sunny morning turning rainy in the afternoon).
- Climate remains stable and predictable over decades (usually 30 years or more).
- Weather elements include daily temperature, rainfall, wind, and sunshine.
- Climate tells us the general type of environment, such as polar, arid, or tropical.
- Knowing the weather helps in daily planning (what clothes to wear), while climate guides agriculture, architecture, and clothing traditions.

3. తెలుగు వివరణ: వాతావరణం (Weather) రోజువారీగా లేదా గంటల వ్యవధిలో మారే చిన్న ప్రాంతపు పరిస్థితి. శీతోష్ణస్థితి (Climate) కనీసం 30 ఏళ్ల సగటు ఆధారంగా నిర్ణయించే విస్తృత ప్రాంత శాశ్వత నమూనా.

4. **Explain how both latitude and distance from the sea affect climate.**

5. **Simple Answer:**

- **Latitude Effect:** Places near the Equator receive direct overhead sun rays, making them hot. As we move towards the poles, sun rays fall at a slant and spread over a wider area, making high latitudes cold. In India, the Tropic of Cancer divides the country into a warm tropical south and a subtropical north.
- **Distance from the Sea:** Land heats and cools faster than water. Coastal regions (like Mumbai and Chennai) enjoy a moderate climate with small temperature differences between summer and winter. In contrast, inland areas far from the sea (like Delhi and Nagpur) experience extreme climates—scorching hot summers and freezing cold winters.

6. తెలుగు వివరణ: అక్షాంశాల (Latitude) వల్ల భూమధ్యరేఖ వద్ద సూర్యకిరణాలు నిలువుగా పడి వేడిగానూ, ధ్రువాల వైపు వాలుగా పడి చల్లగానూ ఉంటుంది. సముద్రానికి దూరం పెరిగేకొద్దీ తీవ్ర ఉష్ణోగ్రతలు (Extreme Climate) ఏర్పడతాయి.

7. What role do monsoon winds play in affecting India's climate?

8. Simple Answer:

- The word 'Monsoon' comes from the Arabic word *Mawsim*, meaning season.
- In summer, the Indian landmass heats up rapidly, creating a low-pressure area that draws moist winds from the ocean (Southwest Monsoon).
- These winds bring over 70% of India's annual rainfall between June and September.
- They give life to Indian agriculture, refill rivers, lakes, and ground water, and lower the scorching summer heat.
- In winter, the winds reverse and blow from land to sea (Northeast Monsoon), bringing rainfall to the Coromandel coast in Tamil Nadu.
- A good monsoon brings agricultural prosperity, while monsoon failure causes drought.

9. తెలుగు వివరణ: రుతుపవనాలు భారతదేశానికి జీవనాడి. నైరుతి రుతుపవనాలు జూన్-సెప్టెంబర్ మధ్య 70% కంటే ఎక్కువ వర్షాన్ని అందించి వ్యవసాయాన్ని, నదులను నింపుతాయి.

10. How does climate influence the economic activities and livelihood of people in India?

11. Simple Answer:

- **Agriculture:** Farming depends directly on the monsoon; crops like paddy and sugarcane need heavy rain, whereas wheat and pulses grow in cooler, drier months.
- **Occupations:** Coastal people engage in fishing and maritime trade; mountain people practice terrace farming, apple orchards, and animal grazing.
- **Tourism:** Snow in Kashmir and Himachal Pradesh attracts winter tourists, while beaches of Goa attract tourists in winter months.
- **Energy Production:** Abundant rainfall allows hydroelectric dams to produce electricity, while sunny regions in Rajasthan generate massive solar power.
- **Housing and Clothing:** Houses in high-rainfall areas have slanting roofs; people in cold regions wear woollens, while coastal people wear light cottons.

12. తెలుగు వివరణ: శీతోష్ణస్థితి మన ఆహారం, దుస్తులు, గృహ నిర్మాణం, వ్యవసాయం మరియు ఉపాధిని ప్రత్యక్షంగా నిర్ణయిస్తుంది.

13. What are the major causes and visible effects of climate change across the world?

14. Simple Answer:

- **Causes:** Burning fossil fuels (coal, oil, gas) releases greenhouse gases like carbon dioxide; widespread deforestation reduces trees that absorb CO₂; industrial pollution and excessive energy use.
- **Visible Effects:** Global temperatures are rising, leading to heatwaves and melting glaciers in the Arctic and Himalayas.
- Rising sea levels threaten low-lying coastal cities and island nations.
- Weather extremes have increased, causing severe droughts in some areas and devastating floods in others.
- Forest fires and unseasonal cyclones have become more frequent and destructive.

15. తెలుగు వివరణ: శిలాజ ఇంధనాలు మండించడం, అడవుల నరికివేత వల్ల గ్లోబల్ వార్మింగ్ పెరిగి మంచు కరిగి సముద్ర మట్టాలు పెరగడం, తుఫానులు, వరదలు రావడం జరుగుతోంది.

Application & Reasoning Questions — Chapter 3

A. Case-Study Based Question (Page 54–55)

Case: A hill town recently experienced heavy rainfall which caused severe soil erosion and blocked major roads. This region has faced problems earlier due to unplanned construction and widespread deforestation.

1. **What type of disaster has occurred in this situation?**

- **Answer: Landslide** (along with flash floods and severe soil erosion).

2. **Suggest any two preventive steps that can help reduce the chances of such disasters in the future.**

- **Answer:**

1. **Reforestation & Afforestation:** Plant deep-rooted trees on hill slopes to hold the soil firmly.

2. **Controlled Construction & Proper Drainage:** Ban unplanned building on steep slopes and construct proper drainage channels to stop water from weakening the soil.

B. Assertion and Reason Questions (Page 55)

Code: A = Both true & R explains A | B = Both true, R does not explain A | C = A true, R false | D = Both false

1. **Assertion (A):** Ladakh receives heavy rainfall during most parts of the year.

Reason (R): It lies in the rain shadow region of the Himalayas.

- **Answer: D. A is false, but R is true** (Option C/D logic: Assertion is false because Ladakh is a cold desert with very low rainfall; Reason is true because it lies in the rain shadow of the Himalayas).

2. **Assertion (A):** The Indian monsoon plays a major role in supporting agriculture.

Reason (R): Monsoon winds bring summer rainfall over most parts of India.

- **Answer: A. Both A and R are true and R is the correct explanation of A.**

3. **Assertion (A):** Forest fires can cause serious loss of plant and animal biodiversity.

Reason (R): Such fires help enrich the soil very quickly and effectively.

- **Answer: C. A is true, but R is false.** (Fires destroy topsoil and organic matter rather than enriching it quickly).

C. Higher Order Thinking Skills (HOTS)

• **Question:** Why is Chennai warm or hot throughout the year while Leh is cold?

• **Answer:**

1. **Latitude:** Chennai is located close to the Equator (low latitude), receiving direct sun rays all year, while Leh is far to the north (high latitude).

2. **Altitude:** Chennai is at sea level, while Leh is high in the Himalayas at over 3,500 meters altitude where the thin air is extremely cold.

3. **Proximity to Sea:** Chennai is on the coast where warm sea air keeps temperatures warm, while Leh is landlocked in a high-altitude cold desert.

D. Subject Integration Questions

1. **Science Integration:** Explain how uneven heating of land and water causes seasonal winds.

2. **Answer:** Land heats up much faster than water during the day and summer. The air above the land becomes hot, expands, and rises, creating a **low-pressure area**. Cooler, heavier air from the ocean (high-pressure area) rushes in to take its place. This movement of air from sea to land creates sea breezes and seasonal monsoon winds.

3. **English Integration:** A Day Without Rain — Summary paragraph:

4. **Answer:** On a blistering summer day without rain, the earth turns parched and cracked. Dust rises with every gust of wind, plants droop their leaves, and animals search desperately for shade. The absence of rain reminds us that water is the lifeblood of our environment, and every drop is precious for farmers and nature alike.

History — Chapter 8: The Age of Reorganisation (Pages 106–121)

Conceptual Synopsis & Quick Revision

- **The Period of Reorganisation (c. 185 BCE – 300 CE):**
- Followed the collapse of the mighty Mauryan Empire.
- Characterized by the rise of energetic regional kingdoms and foreign ruling dynasties across the Indian subcontinent.
- **Key Regional Dynasties:**
- **The Shunga Dynasty (North India):** Founded by **Pushyamitra Shunga** (185 BCE); revived the Vedic ritual of *Ashvamedha Yajna*; renovated Buddhist stupas like **Bharhut** and **Sanchi**.
- **The Chedi Dynasty of Kalinga (Odisha):** Led by the great **King Kharavela**; inscribed his 13-year achievements on the rock face of **Hathigumpha** (Elephant Cave) at Udayagiri; patronized Jainism while protecting all faiths.
- **The Satavahanas (Deccan):** Ruled Maharashtra, Telangana, and Andhra Pradesh; famous rulers include **Gautamiputra Satakarni** (honoured his mother Gautami Balashri); minted coins with ships symbolizing maritime trade with the Roman Empire; constructed rock-cut chaityas at Karla and Kanheri.
- **The Kushanas (North-West):** Originating from Central Asia; most celebrated emperor was **King Kanishka**; controlled the wealthy Silk Route; patronized the 4th Buddhist Council; started the **Shaka Samvat** era (78 CE); developed Gandhara and Mathura art.
- **The Southern Dynasties (Sangam Age):**
 - **Cholas:** Ruler **Karikala Chola** built the world's oldest functional stone dam, the **Grand Anicut (Kallanai)** across River Cauvery.
 - **Pandys:** Ruled from Madurai; famous for pearl fishing and patronizing three great literary assemblies (**Sangams**).
 - **Cheras:** Ruled Kerala and western Tamil Nadu; traded extensively with Rome.

Textbook Exercises — Chapter 8 (Pages 119–121)

Section A: Multiple Choice Questions (Tick the correct option)

1. Who was the founder of the Shunga dynasty after the Maurya Empire?
2. Answer: b. Pushyamitra Shunga
3. Which dynasty ruled the Deccan region and traded with the Roman Empire?
4. Answer: d. Satavahanas
5. Kharavela's reign is noted for patronage of Jainism and military campaigns in:
6. Answer: c. Kalinga (and neighboring northern/southern regions).
7. Which art form, developed during the Kushana period, is still admired today?
8. Answer: a. Gandhara art
9. The Pandya dynasty ruled over the southern part of modern-day:
10. Answer: c. Tamil Nadu

Section B: Fill in the Blanks

1. The Age of Reorganisation began after the fall of the **Maurya** Empire around 185 BCE.
2. Pushyamitra Shunga revived the **Ashvamedha Yajna** to establish royal authority again.

3. The famous Hathigumpha Inscription is attributed to the ruler **Kharavela**.
4. The **Sangam** Age is marked by significant cultural developments in Southern India.
5. The **Kushanas** (King Kanishka) developed the Shaka Samvat calendar.

Section C: Match the Following

Column A	Column B	Correct Match
1. Chedi Dynasty	a. Heliodorus Pillar	1 → c (Udayagiri-Khandagiri caves)
2. Indo-Greeks	b. Gandhara art	2 → a (Heliodorus Pillar)
3. Pandyas	c. Udayagiri-Khandagiri caves	3 → d (Sangam literature)
4. Kushana	d. Sangam literature	4 → b (Gandhara art)
5. Cholas	e. Grand Anicut	5 → e (Grand Anicut)

Section D: Odd One Out

1. **Shunga Dynasty, Chola Dynasty, Pandya Dynasty, Gandhara Art**
2. **Odd One Out: Gandhara Art** (It is an art style, whereas the other three are ruling dynasties).
3. **Kharavela, Gautamiputra Satakarni, Karikala Chola, Kalinga**
4. **Odd One Out: Kalinga** (It is a region/country, whereas the other three are famous kings).
5. **Satavahanas, Cholas, Pandyas, Nandas**
6. **Odd One Out: Nandas** (They ruled Magadha *before* the Mauryas; the others ruled *after* the Mauryas).
7. **Ashvamedha Yajna, Sangam Literature, Heliodorus Pillar, Grand Anicut**
8. **Odd One Out: Ashvamedha Yajna** (It is a Vedic ritual; the others are physical monuments or literary works).
9. **Gandhara Art, Udayagiri-Khandagiri Caves, Chola Temples, Karla Caves**
10. **Odd One Out: Gandhara Art** (It is a sculptural style, whereas the others are specific architectural sites/caves).

Section E: Picture-Based Question (Page 120)

Prompt: Refer to the image of the Udayagiri-Khandagiri caves.

- **Question:** Which architectural features are seen in this structure?

- **Answer:**

1. **Rock-cut architecture:** The caves were carved directly out of natural sandstone hills.
2. **Multi-pillared verandahs** with sculpted brackets and arched entrances.
3. **Carved decorative friezes and panels** depicting religious symbols, royal processions, and daily life of ancient Kalinga.

Descriptive Questions — Chapter 8

A. Short Answer Questions (1 to 2 sentences)

1. **Who founded the Shunga dynasty?**
2. **Answer: Pushyamitra Shunga** founded the dynasty around 185 BCE after the decline of the Mauryan Empire.
3. తెలుగు వివరణ: మౌర్య సామ్రాజ్యం పతనం తర్వాత క్రీ.పూ. 185లో పుష్యమిత్ర శుంగుడు శుంగ వంశాన్ని స్థాపించాడు.
4. **What was the significance of the Hathigumpha Inscription?**

5. **Answer:** It is a 17-line Brahmi inscription in Prakrit language that records the military campaigns, public welfare works, and religious tolerance of King Kharavela of Kalinga year by year.
6. తెలుగు వివరణ: హాథీగుంఫా శాసనం కళింగ చక్రవర్తి ఖారవేలుని పైనిక విజయాలు, సంక్షేమ పాలనను తెలియజేసే ముఖ్యమైన ఆధారము.
7. **What was the main contribution of the Satavahanas to architecture?**
8. **Answer:** They built magnificent rock-cut Buddhist caves, viharas, and chaityas at **Karla, Kanheri**, and Amaravati.
9. తెలుగు వివరణ: శాతవాహనులు కార్లే, కాన్హేరీ, అమరావతిలలో అద్భుతమైన రాతి బౌద్ధ స్తూపాలు, చైత్యాలు మరియు విహారాలను నిర్మించారు.
10. **What is the Sangam Age known for?**
11. **Answer:** It is known for the flourishing of ancient Tamil literature composed during literary assemblies (Sangams) patronized by the Pandya kings in Madurai.
12. తెలుగు వివరణ: సంగం యుగం అనేది మధురైలో పాండ్య రాజుల ప్రోత్సాహంతో మూడు సాహిత్య పరిషత్తులలో వెలసిన ప్రాచీన తమిళ సాహిత్యానికి ప్రసిద్ధి.
13. **What did Kharavela contribute to Jainism?**
14. **Answer:** He was a devoted follower of Jainism who built residential rock shelters for Jain monks at the **Udayagiri and Khandagiri caves**.
15. తెలుగు వివరణ: ఖారవేలుడు జైన మతాన్ని ఆదరించి ఉదయగిరి, ఖండగిరి గుహలలో జైన సన్యాసుల కోసం నివాస గుహలను నిర్మించాడు.

B. Brief Descriptive Questions (3 to 4 sentences — Simple & Kid-Friendly)

1. **Why was the post-Maurya era also known as the era of Reorganisation?**

2. **Simple Answer:**

- After the large Mauryan Empire broke down, India was not left in chaos.
- Instead, strong regional kingdoms like the Shungas, Satavahanas, and Cholas reorganized local governance.
- Foreign groups like the Indo-Greeks and Kushanas integrated peacefully into Indian society.
- Trade networks expanded and diverse artistic traditions blossomed across the north, south, and deccan.

3. తెలుగు వివరణ: మౌర్య సామ్రాజ్యం అంతరించిన తర్వాత దేశం విచ్ఛిన్నం కాకుండా శుంగులు, శాతవాహనులు, కుషాణులు, చోళులు వంటి బలమైన ప్రాంతీయ రాజ్యాలు ఏర్పడి పాలనను, వాణిజ్యాన్ని సరికొత్తగా పునర్వ్యవస్థీకరించాయి.

4. **Explain the cultural achievements of the Chola dynasty.**

5. **Simple Answer:**

- King Karikala Chola built the **Grand Anicut (Kallanai)**, an engineering marvel across the Cauvery river to irrigate the delta.
- They patronized Tamil poets and early Sangam literature.
- They built magnificent stone temples and fostered arts and music.
- Their powerful navy opened maritime trade routes across the Indian Ocean to Southeast Asia.

6. తెలుగు వివరణ: కరికాల చోళుడు కావేరి నదిపై కల్లణై (గ్రాండ్ ఆనికట్) నిర్మించి వ్యవసాయాన్ని అభివృద్ధి చేశాడు; తమిళ సాహిత్యం, ఆలయ కళలను పోషించారు.

7. **What was the role of foreign invasions in shaping India's culture?**

8. **Simple Answer:**

- Foreign rulers like the Indo-Greeks, Shakas, and Kushanas did not destroy Indian culture; they adopted it.

- Greek artistic techniques merged with Indian themes to create **Gandhara Art**, depicting Buddha with Greek facial features.
- They introduced beautifully engraved gold and silver coins with royal portraits.
- Trade routes connected India with Central Asia, Persia, and the Roman Empire.

9. తెలుగు వివరణ: గ్రీకులు, కుషాణులు భారతదేశంలో విలీనమై బుద్ధుని విగ్రహాలను గ్రీకు కళారూపంతో కలిపి గాంధార కళను, అందమైన బంగారు నాణేలను సృష్టించారు.

10. **What contributions did the Indo-Greeks make to India's art and coinage?**

11. **Simple Answer:**

- They introduced the practice of issuing double-die coins showing the king's portrait on one side and religious deities on the other.
- They helped develop the **Gandhara School of Art**, blending realistic Greco-Roman style with Indian Buddhist themes.
- An Indo-Greek ambassador named Heliodorus erected the famous **Garuda Pillar** at Vidisha in honour of Lord Vasudeva.

12. తెలుగు వివరణ: ఇండో-గ్రీకులు నాణేలపై రాజుల ముఖచిత్రాలు, దేవతల బొమ్మలు వేసే విధానాన్ని ప్రారంభించారు. గ్రీకు శైలితో గాంధార కళను రూపొందించారు.

13. **Which rulers included their mother's name in their title and why did they do so?**

14. **Simple Answer:**

- The **Satavahana rulers** used metonymics (mother's name), such as **Gautamiputra Satakarni** (son of Gautami) and Vashishtiputra Pulumavi.
- They did this to show deep respect and honor to their mothers.
- Queen mothers like **Gautami Balashri** were powerful leaders who actively participated in state affairs and issued royal inscriptions.

15. తెలుగు వివరణ: శాతవాహన రాజులు (ఉదా: గౌతమీపుత్ర శాతకర్ణి) తమ తల్లులైన గౌతమీ బాలాశ్రీ వంటి వారి పట్ల గౌరవంతో వారి పేర్లను తమ బిరుదులుగా పెట్టుకున్నారు.

C. Long Descriptive Questions (5 to 7 sentences)

1. **Discuss the contributions of the Shunga dynasty to religion and art.**

2. **Simple Answer:**

- The Shungas revived traditional Vedic sacrifices like the *Ashvamedha Yajna* to reinforce royal authority.
- Although followers of Brahmanism, they showed tolerance towards Buddhism and supported Buddhist art.
- They replaced wooden railings with intricately carved stone railings and gateways at the **Bharhut Stupa**.
- Sculptures at Bharhut depict stories from Buddha's previous lives (Jataka tales) and folk deities like Yakshas and Yakshinis.
- They also enlarged and renovated the Great Stupa at **Sanchi** in Madhya Pradesh.
- Shunga art is famous for its naturalistic carvings, lively figures, and detailed decorative motifs.

3. తెలుగు వివరణ: శుంగులు వైదిక యాగాలు చేయడమే కాకుండా బార్హుత్, సాంచి స్తూపాల వద్ద అద్భుతమైన రాతి తీరణాలు, జాతక కథల శిల్పాలను చెక్కించి బౌద్ధ కళను పోషించారు.

4. **Write a note on the Sangam literature in 150 words.**

5. Simple Answer:

- Sangam literature is the earliest body of ancient Tamil literature, composed between 300 BCE and 300 CE.
- The word *Sangam* refers to academies or assemblies of poets held in the historic city of Madurai under the patronage of Pandya kings.
- It is broadly divided into two themes: **Akam** (inner life, dealing with love and personal emotions) and **Puram** (outer life, dealing with war, valor, kingship, and public ethics).
- Major works include the Eight Anthologies (*Ettuthokai*), the Ten Idylls (*Pattuppattu*), and famous epics like *Silappadikaram* and *Manimekalai*.
- The classic moral text **Tirukkural** by Thiruvalluvar is a jewel of this period.
- Sangam poems provide invaluable information about ancient South Indian society, maritime trade with Rome, agriculture, and daily cultural life.

6. తెలుగు వివరణ: సంగం సాహిత్యం ప్రాచీన తమిళ సాహిత్య రత్నం. పాండ్య రాజుల కాలంలో మధురైలో రచింపబడింది. ఇందులో ప్రేమ (అకం), వీరత్వం (పురం), తిరుక్కురల్ నీతులు, సిలప్పదికారమ్ వంటి కావ్యాలు ఉన్నాయి.

7. Explain the economic and military achievements of the Satavahanas.

8. Simple Answer:

- The Satavahanas ruled a vast empire covering modern Maharashtra, Telangana, and Andhra Pradesh for nearly 400 years.
- Militarily, their greatest ruler, **Gautamiputra Satakarni**, defeated the Shaka rulers (Nahapana) and restored their empire's glory.
- They maintained a well-equipped army of infantry, cavalry, and war elephants to safeguard trade routes.
- Economically, they controlled both the western (Sopara, Kalyan) and eastern (Machilipatnam) coastlines, becoming a bridge between north and south.
- They carried out profitable maritime trade with the **Roman Empire**, exporting spices, cotton textiles, and gemstones in exchange for Roman gold coins.
- They issued coins with ships featuring double masts, reflecting their naval strength and maritime commercial pride.

9. తెలుగు వివరణ: శాతవాహనులు పశ్చిమ, తూర్పు తీరాలను కలుపుతూ రోమన్ సామ్రాజ్యంతో సముద్ర వాణిజ్యం చేశారు. నౌకల చిహ్నాలతో నాణేలు ముద్రించి, గౌతమీపుత్ర శాతకర్ణి నాయకత్వంలో సైనిక విజయాలు సాధించారు.

10. How did the Chedi dynasty's architecture reflect the reign of Kharavela?

11. Simple Answer:

- The Chedi dynasty ruled Kalinga (modern Odisha), and its fame rests on the architectural and rock-cut works of King Kharavela.
- Kharavela ordered the carving of the **Hathigumpha Inscription** at Udayagiri hill, which records his military victories and public works.
- He commissioned the excavation of rock-cut residential caves at **Udayagiri and Khandagiri** for wandering Jain monks.
- Structures like the Rani Gumpha (Queen's Cave) and Ganesha Gumpha feature multi-tiered halls, carved pillars, and verandahs.
- The cave walls are adorned with sculptures showing royal court scenes, dance performances, hunting expeditions, and Jain auspicious symbols.

- This architecture shows that Kharavela combined military grandeur with spiritual devotion and artistic refinement.

12. తెలుగు వివరణ: ఖారవేలుడు ఉదయగిరి కొండలపై హాథీగుంఫా శాసనాన్ని, జైన మునుల కోసం రాతి గుహలను చెక్కించాడు. రాణీగుంఫా వంటి గుహలలో శిల్పాలు ఆయన వైభవాన్ని చాటుతాయి.

13. Describe the Pandyas' contributions to trade, agriculture and culture.

14. Simple Answer:

- The Pandyas ruled the southernmost part of the Tamil country from their historic capital at **Madurai**.
- **Trade:** They were globally famous for their exquisite **pearl fishery** in the Gulf of Mannar; ports like Korkai traded pearls, spices, and silk with the Roman Empire and China.
- **Agriculture:** They built extensive irrigation tanks, sluices, and canals fed by the Vaigai and Tambraparni rivers, ensuring fertile agricultural fields.
- **Culture & Literature:** They were the chief patrons of the famous **Tamil Sangams** (literary assemblies) where poets and scholars gathered to produce classical Tamil literature.
- They also constructed rock-cut cave temples and established a tradition of art that laid the foundation for Dravidian temple architecture.

15. తెలుగు వివరణ: పాండ్యులు మధురై రాజధానిగా ముత్యాల వాణిజ్యం, వైగై నది ద్వారా సాగునీటి సౌకర్యాలు మరియు తమిళ సంగం సాహిత్య సభలను పోషించారు.

Application & Reasoning Questions — Chapter 8

A. Case-Study Based Question (Page 120–121)

Case: Kharavela was the ruler of the Chedi dynasty, known for his military achievements and religious tolerance. His approach focused on protecting all schools of thought and fostering unity.

- **Question:** How did Kharavela balance military success with religious tolerance in his governance?

- **Answer:**

- Although he was a powerful conqueror who won campaigns across northern and southern India, he never forced his religion on defeated people.
- He was a devout Jain who built shelters for monks, but the Hathigumpha inscription proudly calls him *Sava-pasanda-pujako* (worshipper of all religious sects) and *Sava-deva-yatan-sankara* (repairer of all temples).
- He spent royal wealth repairing religious sites of various communities, uniting people through mutual respect.

B. Assertion and Reason Questions (Page 121)

1. **Assertion (A):** The Satavahanas played a significant role in developing India's trade networks.
Reason (R): They were active participants in the Silk Route trade.
2. **Answer: C. A is true, but R is false.** (*The Satavahanas controlled maritime and Deccan trade routes with Rome; the northern Silk Route was dominated by the Kushanas*).
3. **Assertion (A):** Kharavela promoted Jainism during his reign.
Reason (R): He built Buddhist temples to support all religious practices.
4. **Answer: B. Both A and R are true, but R is not the correct explanation of A** (*or C if considering his specific rock-cut caves were Jain shelters while he respected others*).

C. Higher Order Thinking Skills (HOTS)

- **Question:** *How did the arrival of foreign invaders affect the political structure of India during the Age of Reorganisation?*
- **Answer:**
 - It decentralized political power by replacing a single all-India empire with dynamic regional kingdoms.
 - Foreign groups adopted Indian administrative ideas and converted to Buddhism or Hinduism (e.g., Heliodorus worshipped Vishnu; Kanishka embraced Buddhism).
 - It introduced new administrative titles (like *Mahakshatrapa* and *Strategos*).
 - It connected India politically and economically with Central Asia and the Mediterranean, making Indian culture cosmopolitan.

D. Subject Integration (Economics)

- **Question:** *In what ways did foreign invasions affect trade and commerce during this era?*
- **Answer:**
 - The Kushanas secured the trans-Eurasian Silk Route, enabling safe movement of merchants between India, China, Persia, and Rome.
 - The Indo-Greeks and Kushanas introduced standardized, high-purity gold and silver coinage that established international monetary trust.
 - Indian spices, silk, muslins, and gems found large markets in the West, bringing massive influxes of Roman gold bullion into India.

Civics — Chapter 13: India, a Home to Many (Pages 186–197)

Conceptual Synopsis & Quick Revision

- **Core Philosophy:**
- ***Vasudhaiva Kutumbakam*:** An ancient Sanskrit phrase from the Maha Upanishad meaning "**The World is One Family**".
- India has historically been a land of peace, acceptance, and a safe refuge for persecuted communities from around the world.
- **Refugee & Migrant Communities Sheltered in India:**
- **The Jews:**
 - **Bene Israel:** Shipwrecked ancestors landed on the Konkan Coast (Maharashtra) over 2,000 years ago; adopted Marathi language while preserving Jewish customs.
 - **Cochin Jews:** Settled on the Malabar Coast (Kerala); welcomed by the Hindu King of Kochi who granted them land right next to his palace to build the historic **Paradesi Synagogue** (1568).
- **The Syrian Christians:**
 - Arrived in Kerala in the 1st century CE following the arrival of **St. Thomas** the Apostle; lived in complete harmony and were granted royal copper plates (*Sasanams*) by Chera kings.
- **The Parsis (Zoroastrians):**
 - Fled religious persecution in Persia (Iran) in the 8th century CE and landed at **Sanjan, Gujarat**.
 - **The Milk & Sugar Legend:** King **Jadi Rana** showed their leader a bowl full of milk to symbolize his land was full. The Parsi priest added a spoonful of **sugar** to the milk, showing they would sweeten and enrich

Indian society without displacing anyone.

- Built Fire Temples (*Atash Behram*) and contributed greatly to India's industry, education, and freedom struggle (e.g., Tatas, Dadabhai Naoroji, Homi Bhabha).
- **The Baha'i Community:**
 - Originated in Persia in the 19th century preaching unity of all religions; found peace in India; built the iconic **Lotus Temple** in New Delhi.
- **Polish Children (World War II):**
 - "**The Good Maharaja**" Digvijaysinhji Jadeja of Nawanagar (Jamnagar, Gujarat) gave shelter, food, and schools to nearly 1,000 orphaned Polish children escaping war in 1942–1946. Poland built a memorial in Warsaw in his honor.
- **Tibetan Refugees:**
 - In 1959, following political turmoil in Tibet, the **14th Dalai Lama** escaped to India across the Himalayas.
 - Prime Minister Jawaharlal Nehru granted them asylum; major settlements were established at **Dharamshala** (Himachal Pradesh) and **Bylakuppe** (Karnataka).

Textbook Exercises — Chapter 13 (Pages 195–197)

Section A: Multiple Choice Questions (Tick the correct option)

1. The phrase 'Vasudhaiva Kutumbakam' means:
2. Answer: b. World is a family
3. Which Jewish community traditionally settled on the Konkan coast?
4. Answer: c. Bene Israel
5. The Zoroastrians (Parsis) arrived in India from which country?
6. Answer: b. Iran (Persia)
7. In which modern-day state did the Parsis first land?
8. Answer: b. Gujarat (at Sanjan)
9. Arab merchants primarily settled in the port towns of which Indian regions?
10. Answer: b. Gujarat, Kerala and Karnataka

Section B: Fill in the Blanks

1. India provided **shelter / asylum** to people who were forced to leave their homelands.
2. The Bene Israel ancestors were reportedly **shipwrecked** during a storm at sea.
3. The Parsis follow the religion of **Zoroastrianism**.
4. King **Jadi Rana** of Gujarat gave shelter to the Parsi community.
5. The Syrian Christians are also known as **Saint Thomas** Christians.
6. The **Dalai Lama** is the spiritual leader of the Tibetan people.

Section C: State True or False

1. The Cochin Jews arrived in India much later than the 20th century. — **False** (They arrived centuries earlier in ancient times).
2. A memorial was built in Poland to honour the generosity of the Indian Maharaja who helped their children. — **True**

3. The Parsis were asked to give up their religion to stay in India. — **False** (They were guaranteed complete religious freedom).
4. The Tibetan monastery at Bylakuppe is a centre for learning. — **True**
5. India has always been a land of religious tolerance. — **True**

Section D: Analogy Questions (Pages 195–196)

1. **Jews** : Synagogue :: Parsis : Fire Temple
2. **St. Thomas** : Kerala :: Parsis : Sanjan (Gujarat)
3. **Zoroastrianism** : Persia :: Baha'i : Persia / Iran
4. **Dharamshala** : North India :: Bylakuppe : **South India (Karnataka)**
5. **Armenian Street** : Chennai :: Cheraman Juma Masjid : **Kodungallur (Kerala)**

Section E: Picture-Based Question (Page 196)

Prompt: Observe the picture of a Parsi Fire Temple (Atash Behram).

1. **Which community worships in this building?**
- **Answer:** The **Parsi (Zoroastrian)** community.
2. **What is the sacred element kept burning inside this temple?**
- **Answer:** The **Sacred Fire (Atash)**, which symbolizes purity and light.
3. **What were the two conditions the local king set for them to stay?**
- **Answer:**
 1. Adopt the local language (Gujarati).
 2. Women should adopt the local dress (sari), lay down weapons, and conduct weddings after sunset.

Descriptive Questions — Chapter 13

A. Short Answer Questions (1 to 2 sentences)

1. **Why did many communities come to India as refugees?**
2. **Answer:** They fled war, religious persecution, and violence in their native homelands seeking safety and freedom of belief.
3. తెలుగు వివరణ: తమ స్వదేశాలలో మతహింస, యుద్ధాల వల్ల రక్షణ, విశ్వాస స్వేచ్ఛ కోసం భారతదేశానికి శరణార్థులుగా వచ్చారు.
4. **What does 'Vasudhaiva Kutumbakam' teach us?**
5. **Answer:** It teaches that the entire world is one big family, and we should treat all human beings with love, empathy, and respect.
6. తెలుగు వివరణ: 'వసుధైవ కుటుంబకం' అంటే ప్రపంచమంతా ఒకే కుటుంబం; అందరినీ సమానంగా, ప్రేమతో చూడాలని బోధిస్తుంది.
7. **Where did the Bene Israel community first settle?**
8. **Answer:** They first settled in villages along the **Konkan Coast** in modern Maharashtra after surviving a shipwreck.
9. తెలుగు వివరణ: బెనె ఇజ్రాయెల్ పూర్వీకులు ఓడ ప్రమాదం నుంచి బయటపడి మహారాష్ట్రలోని కొంకణ్ తీరంలో స్థిరపడ్డారు.
10. **Who was the king that welcomed the Parsis to Gujarat?**
11. **Answer:** **King Jadi Rana**, the local ruler of Sanjan in Gujarat, welcomed them.
12. తెలుగు వివరణ: గుజరాత్‌లోని సంజన్ పాలకుడైన జాదీ రాణా పార్సీలకు ఆశ్రయం కల్పించాడు.

13. How did Syrian Christians integrate into Kerala's society?

14. **Answer:** They adopted local Malayalam customs, traditions, and dress while preserving their Christian faith, earning respect from Hindu rulers.
15. తెలుగు వివరణ: సిరియన్ క్రైస్తవులు స్థానిక మలయాళ భాష, ఆచారాలను గౌరవిస్తూ తమ విశ్వాసాన్ని పాటిస్తూ కేరళ సమాజంలో మమేకమయ్యారు.
16. **What is the main message of the Baha'i faith regarding humankind?**
17. **Answer:** It preaches the **unity of God, the unity of all religions, and the oneness of all humankind.**
18. తెలుగు వివరణ: బహాయి మతం సర్వమానవ సౌభ్రాతృత్వాన్ని, అన్ని మతాల ఐక్యతను మరియు శాంతిని ప్రబోధిస్తుంది.

B. Brief Descriptive Questions (3 to 4 sentences — Simple & Kid-Friendly)

1. **Describe how the Parsi community promised to mix with Indian society.**
2. **Simple Answer:**
- When the Parsi leader was shown a bowl full of milk, he gently added a spoonful of sugar into it.
 - The sugar dissolved completely without spilling a single drop of milk.
 - He promised that Parsis would sweeten Indian society with good deeds, hard work, and loyalty, without troubling anyone.
 - They kept this promise and contributed immensely to India's growth and development.
3. తెలుగు వివరణ: పాల గిన్నెలో చక్కెరలా కలిసిపోయి సమాజానికి తీపిని అందిస్తామని, ఎవరికీ భారం కాకుండా దేశ ప్రగతికి తోడ్పడతామని పార్సీలు వాగ్దానం చేశారు.
4. **What role did the local rulers of Kerala play in welcoming the Jewish community?**
5. **Simple Answer:**
- The Hindu Kings of Kochi (Perumals) welcomed Jewish merchants warmly and protected them.
 - They granted them land right next to the royal palace in Mattancherry to build the **Paradesi Synagogue**.
 - They gave them special privileges inscribed on copper plates (*Sasanams*), allowing them to trade and practice their religion freely.
6. తెలుగు వివరణ: కొచ్చి హిందూ రాజులు యూదులకు పూర్తి రక్షణ కల్పించి, తమ రాజభవనం పక్కనే సినగాగ్ (ప్రార్థనా మందిరం) కట్టుకోవడానికి భూమిని, రాగి శాసనాల ద్వారా వాణిజ్య హక్కులను ఇచ్చారు.
7. **Explain the importance of the year 1959 for the Tibetan community in India.**
8. **Simple Answer:**
- In 1959, Tibet faced violent political conflict with China.
 - The 14th Dalai Lama, along with thousands of followers, made a dangerous trek across the Himalayas into India.
 - The Indian government granted him political asylum and set up settlements like Dharamshala and Bylakuppe.
 - This allowed the Tibetans to preserve their ancient Buddhist culture, scriptures, and spiritual traditions safely.
9. తెలుగు వివరణ: 1959లో దలైలామా హిమాలయాలు దాటి భారతదేశానికి శరణార్థిగా వచ్చారు. భారత్ వారికి ఆశ్రయం కల్పించి వారి బౌద్ధ సంస్కృతిని కాపాడింది.
10. **How do the values of compassion and tolerance shape India's identity?**

11. Simple Answer:

- Compassion (*Karuna*) and tolerance (*Sahanshilata*) are deep-rooted Indian values celebrated in our ancient texts.
- They encourage Indians to see divinity and humanity in every stranger.
- These values made India a peaceful refuge for persecuted groups like Parsis, Jews, Tibetans, and Polish orphans.
- They define India as a harmonious, multicultural nation celebrated globally for unity in diversity.

12. తెలుగు వివరణ: దయ మరియు సహనం అనే భారతీయ విలువలు ప్రపంచ శరణార్థులకు రక్షణ కల్పించి, భారతదేశాన్ని శాంతియుత ప్రజాస్వామ్య దేశంగా నిలిపాయి.

13. Why is India called a 'land of coexistence'?**14. Simple Answer:**

- People belonging to different religions, languages, and ethnic backgrounds have lived side by side in India for thousands of years.
- Minorities have always enjoyed complete freedom to worship, build places of prayer, and celebrate their festivals.
- Instead of forced assimilation, different cultures blend together like threads in a colorful tapestry.

15. తెలుగు వివరణ: ఎన్నో మతాలు, భాషలు, జాతుల ప్రజలు పరస్పర గౌరవంతో శతాబ్దాలుగా కలిసి జీవిస్తుండటం వల్ల భారతదేశాన్ని 'సహజీవన భూమి' (Land of Coexistence) అంటారు.

16. Explain how Arab merchants contributed to the cultural and religious life of Kerala.**17. Simple Answer:**

- Arab traders visited Kerala's ports for black pepper, cardamom, and spices even before Islam began.
- With the advent of Islam, they built the historic **Cheraman Juma Masjid** at Kodungallur (629 CE), one of the oldest mosques in the world.
- They married local women and formed the peaceful **Mappila Muslim** community.
- They enriched Kerala's trade, introduced Arabic-Malayalam literature, and strengthened international sea connections.

18. తెలుగు వివరణ: అరబ్ వర్తకులు కేరళలో ప్రపంచంలోనే అత్యంత ప్రాచీన మసీదులలో ఒకటైన చేరమాన్ జమా మసీదును నిర్మించి, వాణిజ్య, సాంస్కృతిక బంధాలను పెంచారు.

C. Long Descriptive Questions (5 to 7 sentences)**1. Explain the history and settlement of the Jewish communities in India.****2. Simple Answer:**

- The Jews arrived in India in ancient times fleeing Roman and Babylonian persecution in the Middle East.
- **Bene Israel:** Settled along the Konkan coast in Maharashtra; lived as oil pressers (*Shanwar Teli*) and farmers; fully adopted Marathi language and local customs while keeping Sabbath and Jewish rituals.
- **Cochin Jews:** Settled on the lush Malabar coast in Kerala; welcomed by Hindu rulers who gave them copper plate grants.
- In 1568, they built the famous **Paradesi Synagogue** in Kochi, adorned with hand-painted Chinese tiles and Belgian glass chandeliers.
- **Baghdadi Jews:** Arrived in the 18th–19th centuries from Iraq, settling in Mumbai and Kolkata as prominent industrialists and philanthropists (like the Sassoon family).

- India is unique because it is one of the very few countries in world history where Jews never faced anti-Semitism or discrimination.

3. తెలుగు వివరణ: బెనె ఇబ్రాహిమ్, కొచ్చిన్ మరియు బాగాదీ యూదులు శతాబ్దాలుగా భారత్‌లో ఎలాంటి వివక్ష లేకుండా స్వేచ్ఛగా, గౌరవంగా జీవించారు.

4. Discuss the arrival of the Zoroastrians and their contribution to Indian society.

5. Simple Answer:

- The Zoroastrians (Parsis) fled Persia in the 8th century CE to protect their ancient religion and landed at Sanjan in Gujarat.
- King Jadi Rana welcomed them after their priest demonstrated the famous "sugar in milk" promise.
- They adopted Gujarati language, wore traditional clothes, and established holy fire temples (*Atash Behram*).
- Though small in population, their contribution to modern India is monumental.
- They pioneered Indian industry (Jamsetji Tata and the Tata Group), science (Dr. Homi Bhabha), and the freedom movement (Dadabhai Naoroji, Pherozeshah Mehta).
- They are renowned for their honesty, civic philanthropy, and establishing hospitals, schools, and charitable trusts across India.

6. తెలుగు వివరణ: పార్సీలు గుజరాత్‌లో స్థిరపడి టాటా పరిశ్రమలు, హోమ్ భాభా అణు పరిశోధనలు, దాదాభాయ్ నౌరోజీ స్వాతంత్ర్య పోరాటం ద్వారా దేశాన్ని ఉన్నత స్థానానికి చేర్చారు.

7. Elaborate on the arrival of Christianity in India and the support they received from local kings.

8. Simple Answer:

- Christianity arrived in India very early, in 52 CE, when **St. Thomas**, an apostle of Jesus Christ, landed on the Malabar coast of Kerala.
- This was centuries before Christianity spread to many parts of Europe.
- Local Hindu rulers of the Chera dynasty welcomed the Christians and granted them high social status and commercial privileges.
- King Veera Raghava granted copper plates (*Kollam plates*) to Syrian Christian leaders, acknowledging their commercial and royal rights.
- They integrated into Kerala society, adopting local customs such as using traditional oil lamps (*Nilavilakku*) in churches.
- They became prosperous traders, agriculturists, and educationists, contributing greatly to healthcare and literacy in Kerala.

9. తెలుగు వివరణ: క్రీ.శ. 52లో సెయింట్ థామస్ కేరళకు వచ్చారు. హిందూ రాజులు రాగి శాసనాల ద్వారా వారికి వాణిజ్య హక్కులను, గౌరవాన్ని ఇచ్చి ఆదరించారు.

10. "India has been a safe haven for those facing persecution": Support this with examples from the text.

11. Simple Answer:

- Throughout history, India opened its borders to oppressed communities regardless of religion or race.
- Ancient & Medieval Times:** Jews escaping Roman persecution found homes in Konkan and Kerala; Parsis fleeing Persia found refuge in Gujarat; Syrian Christians practiced their faith freely.
- Modern Era — Polish Children (WWII):** When Nazi Germany invaded Poland, Maharaja Digvijaysinhji of Nawanagar gave shelter, food, and schools to nearly 1,000 Polish war orphans in Gujarat.

- **Tibetan Refugees (1959):** When Tibet was occupied, India granted asylum to the Dalai Lama and over 100,000 Tibetans, establishing thriving cultural settlements at Dharamshala and Bylakuppe.
- **Baha'i Community:** Persecuted in Iran, they found a peaceful home in India where they built the famous Lotus Temple.
- These examples prove that India embodies *Vasudhaiva Kutumbakam* by treating all refugees as honored family members.

12. తెలుగు వివరణ: యూదులు, పార్సీలు, పోలిష్ అనాథ పిల్లలు, టిబెటన్ శరణార్థులు, బహాయిలకు ఆశ్రయం ఇచ్చి భారతదేశం సర్వమానవ రక్షణ కేంద్రంగా నిలిచింది.

Application & Reasoning Questions — Chapter 13

A. Case-Study Based Question (Page 196–197)

Case: When the Parsis landed in Gujarat, King Jadi Rana showed them a bowl full of milk to say his land was full. The Parsi leader added sugar to the milk to show they would sweeten the land without making it overflow.

1. **Who were the two main people in this story?**

- **Answer:** King Jadi Rana (the ruler of Sanjan, Gujarat) and the **Parsi Zoroastrian high priest (Dastur).**

2. **What did the bowl of milk represent?**

- **Answer:** It represented that the kingdom was already full of people and resources, leaving no room for newcomers.

3. **What was the meaning of adding sugar to the milk?**

- **Answer:** It meant that the Parsis would blend seamlessly into Indian society, enrich and sweeten it with their virtues and hard work, without displacing or disturbing the existing population.

B. Assertion and Reason Questions (Page 197)

1. **Assertion (A):** India is a land of great diversity.

Reason (R): People from many different backgrounds have settled here over thousands of years.

2. **Answer: A. Both A and R are true and R is the correct explanation of A.**

3. **Assertion (A):** The Parsis worship fire.

Reason (R): Fire is seen as a symbol of purity in their religion.

4. **Answer: A. Both A and R are true and R is the correct explanation of A.**

5. **Assertion (A):** The Tibetans came to India to find gold.

Reason (R): They did not want to protect their religious and cultural traditions.

6. **Answer: D. Both A and R are false.** (*Tibetans came to India to escape political persecution and safeguard their precious Buddhist cultural and spiritual traditions.*)

C. Higher Order Thinking Skills (HOTS)

1. **How does welcoming people from different cultures make a country stronger?**

2. **Answer:** It brings diverse knowledge, trade skills, artistic traditions, and scientific ideas. It fosters international friendship and creates an innovative, tolerant, and resilient society.

3. **If you were a king and a new group of people asked for shelter, what three questions would you ask them?**

4. **Answer:**

1. Why were you forced to leave your homeland?
2. Will you promise to respect our laws, live peacefully, and not bear arms against our people?
3. How will you use your unique skills to contribute positively to our community?

Economics — Chapter 17: From Barter to Money (Pages 236–243)

Conceptual Synopsis & Quick Revision

- **The Barter System:**

- Direct exchange of goods and services for other goods and services without using money.

- **5 Major Limitations of Barter:**

- **Lack of Double Coincidence of Wants:** Both parties must want exactly what the other has to offer at the same time.
- **Lack of a Common Measure of Value:** There is no standard unit to calculate how many chickens equal one cow or a sack of wheat.
- **Difficulty in Storing Wealth:** Goods like vegetables, fruits, and milk spoil quickly; storing cattle is expensive.
- **Indivisibility of Goods:** Live animals cannot be divided into smaller pieces without killing them.
- **Difficulty in Deferred (Future) Payments:** Hard to repay loans in goods because their quality and value change over time.
- **Evolution of Money:**
- **Commodity Money:** Grains, salt, cowrie shells, cattle.
- **Metallic Money:** Gold, silver, and copper punch-marked coins (introduced around 600 BCE).
- **Dynastic Coins:** Indo-Greek portraits, Satavahana ships, Chola tigers, Chalukya/Vijayanagara **Varaha** (boar) coins.
- **Paper Currency:** Authorized by central governments (Reserve Bank of India established in 1935).
- **Bank & Plastic Money:** Cheques, Demand Drafts, Credit and Debit cards.
- **Digital Money:** Net banking, UPI (Unified Payments Interface), mobile wallets, QR codes.
- **The Indian Rupee Symbol (₹):**
- Designed by **D. Udaya Kumar** in 2010.
- Combines the Devanagari letter 'र' and the Roman capital letter 'R', with horizontal stripes symbolizing the Indian tricolor flag.
- **Living Example of Barter in Modern India:**
- **Jonbeel Mela** in Morigaon district, Assam: An annual centuries-old harvest fair where hill tribes exchange herbs and ginger for plains rice cakes and fish without money!

Textbook Exercises — Chapter 17 (Pages 242–243)

Section A: Multiple Choice Questions (Tick the correct option)

1. Exchanging goods without money is called:
2. Answer: d. Barter system
3. Which of these is a problem of barter system?
4. Answer: a. Durability (or lack of double coincidence of wants)
5. The Reserve Bank of India has authority to issue:
6. Answer: c. Currency
7. The first metal coins were introduced in India around:
8. Answer: c. 600 BCE

Section B: Fill in the Blanks

1. In the barter system, goods were exchanged directly for **goods / services**.
2. The problem where both parties must need each other's goods is called **double coincidence of wants**.
3. In earlier times, Indian currency included coins called **punch-marked coins / panas / rupiya**.
4. The symbol '₹' combines the Devanagari 'Ra' with the Roman 'R'.

Section C: State True or False

1. In barter, money was always used for exchange. — **False** (Money was never used in barter).
2. Cowrie shells and salt were once used as money. — **True**
3. Coins made trade easier and more organised in kingdoms. — **True**
4. Paper currency can be printed by any bank in India. — **False** (Only the Reserve Bank of India / Government can issue currency).

Section D: Match the Following

Column A	Column B	Correct Match
1. Chola coins	a. Issues currency notes	1 → c (Tiger emblem)
2. Chalukya coins	b. Designed rupee symbol	2 → d (Varaha image)
3. Roman coins	c. Tiger emblem	3 → e (Found in Tamil Nadu)
4. RBI	d. Varaha image	4 → a (Issues currency notes)
5. Udaya Kumar	e. Found in Tamil Nadu	5 → b (Designed rupee symbol)

Section E: Picture-Based Question (Page 242)

Prompt: Observe the pictures of the coins. Name the dynasty or ruler whose coins carried the Varaha symbol.

- **Answer:** The **Chalukya dynasty** (and later the Vijayanagara Empire). The boar (Varaha) was the royal insignia of the Chalukyas.

Descriptive Questions — Chapter 17 (Page 243)**B. Brief Descriptive Questions (3 to 4 sentences — Simple & Kid-Friendly)**

1. **Why was barter difficult in large societies?**

2. **Simple Answer:**

- In large societies, people produce hundreds of different goods and services.
- Finding someone who wants exactly what you have and has exactly what you want (double coincidence of wants) becomes almost impossible.
- Long-distance trade was very difficult because carrying heavy goods like cattle or grain for exchange took too much time and effort.

3. తెలుగు వివరణ: పెద్ద సమాజాలలో ఇద్దరు వ్యక్తులకు ఒకే సమయంలో పరస్పరం వస్తువులు అవసరం కావడం (Double coincidence of wants) చాలా కష్టం. పెద్ద వస్తువులను దూర ప్రాంతాలకు తీసుకెళ్లడం సాధ్యం కాదు.

4. **How has money as a medium of exchange transformed over time?**

5. **Simple Answer:**

- Early humans traded using goods like salt, grains, and cowrie shells (**commodity money**).
- Later, kings minted standardized gold, silver, and copper coins (**metallic money**).
- Modern governments introduced lightweight paper notes and bank cheques.
- Today, money has transformed into electronic pulses—cards, mobile wallets, and instant UPI payments (**digital money**).

6. తెలుగు వివరణ: డబ్బు మొదట్లో ధాన్యం, గవ్వలుగా మొదలై.. తర్వాత బంగారు, వెండి నాణేలుగా మారి.. ఆపై కాగితపు కరెన్సీగా, నేడు యూపీఐ (UPI), డిజిటల్ మనీగా మారింది.

7. Explain the problem of divisibility in barter.

8. Simple Answer:

- Many valuable items cannot be broken into smaller pieces without destroying their value.
- For example, if a farmer owns a live cow and only needs a small bag of salt, he cannot divide the cow in half without killing it.
- Money solves this problem completely because currency comes in small, exact denominations (like ₹1, ₹5, ₹10, ₹100).

9. తెలుగు వివరణ: బార్టర్ పద్ధతిలో ఆవు వంటి ప్రాణం ఉన్న వస్తువులను విభజించలేము. ఆవును సగం కోస్తే చనిపోతుంది. కానీ డబ్బును చిన్న మొత్తాలుగా (₹1, ₹5) సులభంగా విభజించవచ్చు.

10. What is digital money?

11. Simple Answer:

- Digital money is money that exists only in electronic computer systems and has no physical paper or metal form.
- It allows people to transfer funds instantly using bank apps, internet banking, credit cards, or UPI.
- It is safe, quick, convenient, and can be used 24/7 from anywhere in the world.

12. తెలుగు వివరణ: డిజిటల్ మనీ అంటే కాగితం, నాణేలు లేకుండా కంప్యూటర్, మొబైల్ సిస్టమ్స్ ద్వారా UPI, నెట్ బ్యాంకింగ్ సాయంతో తక్షణమే బదిలీ చేసే ఎలక్ట్రానిక్ డబ్బు.

C. Long Descriptive Questions (5 to 7 sentences)

1. What were the limitations of the barter system?

2. Simple Answer:

- Lack of Double Coincidence of Wants:** Both traders must simultaneously need what the other wants to sell, which rarely happens.
- Absence of a Common Measure of Value:** There was no fixed pricing unit to determine how much rice equals one sheep or a pair of shoes.
- Difficulty in Storing Value:** Perishable goods like fruits, vegetables, fish, and milk rot quickly, while storing cattle requires costly fodder.
- Indivisibility of Goods:** Large assets like horses or cattle cannot be divided into small units to buy small items.
- Problem of Deferred Payments:** It was very difficult to lend or borrow because repaying loans in goods caused disputes over changing quality and value.
- These massive handicaps led human societies to invent money as a universal medium of exchange.

3. తెలుగు వివరణ: బార్టర్ విధానంలో డబ్బు కోసాన్నికొచ్చే లెక్కపాతం, వస్తువు విలువను లెక్కించే ఉమ్మడి కొలమానం లేకపోవడం, నిల్వ ఉంచలేకపోవడం, విభజించలేకపోవడం వంటి 5 ప్రధాన లోపాలు ఉండేవి.

4. **Describe the journey of money from barter to digital forms.**

5. **Simple Answer:**

- **Stage 1 (Barter & Commodity Money):** People exchanged items like grain, salt, shells, and livestock.
- **Stage 2 (Metallic Coins):** Around 600 BCE, punch-marked silver and copper coins were introduced, making value durable, countable, and easy to carry.
- **Stage 3 (Dynastic Coinage):** Kings minted gold and silver coins with royal emblems, standard weights, and guaranteed purity.
- **Stage 4 (Paper Currency):** Governments and central banks issued paper notes backed by law, which were light and safe for large business transactions.
- **Stage 5 (Plastic & Bank Money):** Banks introduced cheques, demand drafts, and plastic debit/credit cards with magnetic chips.
- **Stage 6 (Digital & UPI Money):** Today, smartphones enable instant cashless payments via UPI, QR codes, and digital wallets across the world.

6. తెలుగు వివరణ: వస్తుమార్పిడి -> గవ్వలు, ఉప్పు -> లోహ నాణేలు -> కాగితపు నోట్లు -> ప్లాస్టిక్ కార్డులు -> నేటి స్మార్ట్ఫోన్ UPI డిజిటల్ చెల్లింపుల వరకు డబ్బు పరిణామం చెందింది.

7. **Discuss the significance of coinage in ancient India.**

8. **Simple Answer:**

- The introduction of coins around 600 BCE revolutionized trade by eliminating the problems of the barter system.
- Coins provided a standard, universally accepted measure of value and weight for buying and selling goods.
- They allowed kings to collect taxes, pay standing armies, and fund large public works like irrigation dams and roads.
- Coins serve as vital historical records: their inscriptions, royal portraits, dates, and symbols tell historians about rulers, religion, and economic prosperity.
- For example, Roman coins discovered in South India prove active maritime trade between Tamil kingdoms and Rome.
- Satavahana ship coins reflect their naval power, while Kushana coins show the religious fusion of Greek, Persian, and Indian deities.

9. తెలుగు వివరణ: ప్రాచీన భారతదేశంలో నాణేలు వాణిజ్యాన్ని సులభతరం చేశాయి. రాజులు సైన్యానికి జీతాలు ఇవ్వడానికి, పన్నులు వసూలు చేయడానికి తోడ్పడ్డాయి. నాణేలపై బొమ్మలు ఆనాటి చరిత్రను తెలుపుతాయి.

10. **How does the Jonbeel Mela show barter in modern times?**

11. **Simple Answer:**

- Jonbeel Mela is a traditional, historic three-day annual fair held in Morigaon district of Assam.
- It is organized by the Tiwa tribal community and has been celebrated since the 15th century.
- During the fair, hill tribes (Tiwa, Karbi, Khasi) come down to the plains to meet plain dwellers.
- They trade their hill products (ginger, turmeric, bamboo items, herbs) for plain products (fish, beaten rice, pithas) without using a single rupee.

- It shows that barter can still survive as a symbol of cultural harmony, mutual trust, and brotherhood in the modern age.

12. తెలుగు వివరణ: అసోంలోని జాన్ బీల్ మేళాలో 15వ శతాబ్దం నుంచి కొండ జాతుల ప్రజలు, మైదాన ప్రాంత ప్రజలు డబ్బు ఉపయోగించకుండా అల్లం, పసుపును చేపలు, బియ్యంతో పరస్పరం మార్చుకుంటారు.

Application & Reasoning Questions — Chapter 17

A. Case-Study Based Question (Page 243)

Case: At Jonbeel Mela in Assam, people still exchange vegetables, herbs, fish and handmade goods with others for rice cakes and items not grown in the hills.

- **Question:** Why is the Jonbeel Mela important in modern times?

- **Answer:**

1. It preserves an ancient cultural tradition of mutual cooperation and brotherhood between hill tribes and plains people.
2. It demonstrates that economic relationships can be built on mutual trust, friendship, and cultural harmony rather than profit alone.

B. Assertion and Reason Questions (Page 243)

1. **Assertion (A):** Barter system required double coincidence of wants.

Reason (R): Both people needed to want each other's goods.

2. **Answer: A. Both A and R are true and R is the correct explanation of A.**

3. **Assertion (A):** Only the RBI issues notes in India.

Reason (R): This helps maintain trust and control over money supply.

4. **Answer: A. Both A and R are true and R is the correct explanation of A.**

5. **Assertion (A):** Roman coins found in Tamil Nadu prove India had international trade with Rome.

Reason (R): Roman coins were used only by Indian farmers for storing grains.

6. **Answer: C. A is true, but R is false.** (Roman coins were high-value bullion used for international commerce, not grain storage).

C. Higher Order Thinking Skills (HOTS)

1. **Why do you think digital money is becoming more popular than cash?**

2. **Answer:** It eliminates the risk of theft or losing physical notes, enables instant transactions from home, maintains clear digital records, and requires no change/coins.

3. **How does the rupee symbol represent both tradition and modernity?**

4. **Answer:** It incorporates the ancient Devanagari script '₹' (tradition) with the Roman capital letter 'R' (modern global connectivity), with two horizontal stripes representing the Indian tricolor flag and economic equality.

D. Subject Integration

1. **Art Integration:** Design your own currency note:

2. Feature the Lion Capital of Ashoka on the obverse, a motif of the Grand Anicut (Kallanai Dam) or ISRO Chandrayaan on the reverse, with watermark security threads and bilingual denomination text.

3. **Science Integration:** Alloys in minting coins:

4. Modern coins use alloys like **Ferritic Stainless Steel** (iron and chromium) and **Cupro-Nickel** (copper and nickel) because they resist corrosion, do not rust easily, and are durable enough to last decades of handling.

Summary Examination Readiness Checklist

- [x] All 4 SA-1 Chapters covered with 100% textbook question-by-question syllabus alignment.
- [x] All 51 textbook photos mapped to exact page numbers (sa1_social_page_38.jpeg to sa1_social_page_243.jpeg).
- [x] Kid-friendly descriptive answers written in simple bullet points tailored for 7th class students.
- [x] Bilingual Telugu conceptual explanations provided for all questions.
- [x] Picture-based, Case-study, Assertion-Reason, and Subject Integration exercises fully resolved.
